Size of Divisions

Queensland Masters Football reserves the right to amend the size and structure of any division.

2 RULES OF THE GAME

As per FIFA Rules, with the following amendments:

- Length of games - 2 x 40 minute halves, with a 10 minute half-time break
- **No Slide Tackles** allowed (including Goalkeepers)
 - A slide tackle occurs when two or more players are challenging for the ball and any of those offending players "**slide for the ball**"
 - The action itself must be considered a tackle on an opposing player created from a sliding motion.
 - A player will be penalised for a slide tackle even if there is no contact between the two players whilst that player is within a radius of **One (1) metre of the opposing player**.
 - A sliding tackle must be penalised with a **DIRECT Freekick**, or **PENALTY** if committed by a defender inside the penalty area.
 - A Slide tackle offence is a **BLUE Card** and 10 Minutes in the Bin with **NO REPLACEMENT**.
 - **The Golden Rule is for players to stay on 2 feet at all times.**

- **Block Tackle**
 - A block tackle is not considered a slide tackle.
 - A block tackle in which the players momentum takes both players to the ground does not become a sliding tackle unless then strikes or attempts to strike for the ball whilst on the ground.
- **Playing at the ball whilst on the ground.**
 - If a player plays at the ball whilst on the ground within a radius of one "1" Metre of an opposing player, the player is penalised with an **INDIRECT FREEKICK- (No Blue Card)** unless the referee deems the offence as dangerous. (Referees Judgement Call whether to issue a Blue card)

The above rules also apply to the Goalkeeper if he/she leads with his/her feet towards an attacking player. If the Goalkeeper leads with his/her hands to get the ball this is NOT an Offence unless he/she makes contact with the attacking player.

Please note that it is not an offence simply to play the ball off the ground, a player who slides in to prevent the ball going out of play or to kick the ball out of play or to score or prevent a goal must NOT be PENALISED, unless the slide is part of a challenge within a radius of one (1) Metre of an opponent.

- No tackling from behind
- For Cautionable Offences (fouling, abusive language, etc) and repeated general misconduct, the following card system applies:
The BLUE CARD effectively replaces the yellow card and should be used in all circumstance where the normal Laws of the game require the use of a yellow card.

First Blue Card = Player must spend 10 Minutes in the "SIN BIN" and NOT BE REPLACED resulting in the offending players team playing the penalised 10 minute period with 1 less man. He/she MAY NOT be replaced by a substitution.
The player will only be allowed back onto the field of play once there has been a stop in play and after receiving a signal from the referee.

Second Blue Card (for the same player in the same game) means that the player must leave the field of play, and take no further part in the game. **NO REPLACEMENT PLAYER IS ALLOWED.** A Send-off Report is required for the accumulation of 2 Blue Cards for the same player in the same game, as a mandatory one match suspension applies.

RED CARD (Direct Send-offs) - the player must leave the field of play, and take no further part in the game. **NO REPLACEMENT PLAYER IS ALLOWED.** An official Send-off Report will be completed by the Referee, and penalties will apply depending on the severity of the offence. A Red Card (direct send-off) carries a **mandatory one-match suspension**. See "Disciplinary Summary" for a listing of offences and consequent additional suspensions.

Matches will **not** be postponed for reasons of shortage of player numbers. Queensland Masters Football reserves the right to reschedule all postponed matches on any day, time and place as it deems appropriate, in consultation with both teams.

Queensland Masters Football reserves the right to record any outstanding fixtures that have not been completed by **NO LATER THAN** one (1) week after the conclusion of the fixture season as a NIL-ALL DRAW.

8 ABANDONED MATCHES

Should the match official abandon a Queensland Masters Football match, **then the match result will stand**, unless:

- (a) one or both of the competing clubs request the match to be replayed, or
- (b) the matter is referred to Queensland Masters Football for determination

All replay requests must be made in writing within 72 hours of the match being abandoned. Any request after this time will be disregarded and the match result will stand.

Queensland Masters Football shall take into consideration the following factors when considering a request for a replay:

- reasons why the match was abandoned
- result of the match at the time of abandonment

- the impact on the final league standing of a fixture
- the impact on the finals series of a finals match

The decision of Queensland Masters Football regarding the request for a replay or to have the matter referred for determination shall be final. Queensland Masters Football's determination on the outcome of any abandoned match shall be final.

Queensland Masters Football reserves the right to determine the match result if it is satisfied that one (or both) of the competing teams, its players, officials, members or supporters were directly responsible for the abandonment of the fixture.

If the allegation is proven, Queensland Masters Football may decide to direct any of the following outcomes:

- the match be recorded as "NO RESULT"
- the match be recorded as 0-0 draw
- the match be recorded as a 3-0 win in favour of the opposing team, unless the score at the time of abandonment was of a greater margin in favour of the opposing team, and the points will be awarded to the opposing team
- impose a fine, suspend, expel or take whatever disciplinary action it deems necessary against the offending team(s), player(s) and official(s)

9 GOAL DIFFERENCE

If, at the end of the fixture competition, any two or more teams are equal on points, goal difference shall be taken into account in determining:

- the Premiers;
- the team or teams eligible for promotion to a higher division;
- the team or teams eligible to be relegated to a lower division;
- the teams eligible to play in the Finals Series in the respective divisions;
- all other positions on the points table.

Goal difference shall be calculated by subtracting the number of goals AGAINST from the number of goals FOR in all fixture matches:

- the team with the higher or highest resultant plus figure from such subtraction shall be deemed to have the superior goal difference and shall be the higher or highest placed team;
- the team with the lower or lowest resultant minus figure from such subtraction shall be deemed to have the superior goal difference and shall be the higher or highest placed team;
- in the case of goal difference being equal, the team having scored the most goals FOR shall be the higher or highest placed team.

In the case of teams having an equal goal difference and having scored an equal number of goals FOR:

- the team with the higher or highest number of points from matches played between the teams in question shall be the higher or highest placed team;
- if the number of points is equal, then the team with the superior goal difference from matches played between the teams in question, shall be the higher or highest placed team;
- in the case of goal difference being equal, the team having scored the most goals FOR from matches played between the teams in question, shall be the higher or highest placed team;
- if the goal difference and goals FOR are equal, then the team that scored the most away goals from matches played between the teams in question, shall be the higher or highest placed team.

If teams are still equal after taking into account all of the above considerations, the following will apply:

- to determine Premiers/Automatic Relegation - the clubs concerned shall play off one or more deciding matches on neutral ground(s), the format, timing and venue(s) of which shall be determined by Queensland Masters Football
- to determine all other positions on the table - an official of each team will be required to meet with an official of Queensland Masters Football and lots will be drawn
